

Rink Field
Millersburg, IN

Hi Guys,

The November meeting was attended by 10 members. Dave Yoder gave the treasurers report. The election of officers was held.

The results are as follows:

President- Jim Miller
Vice President- Jeff Dinehart
Secretary- Gene Stutsman
Treasurer- Dave Yoder
Safety Officer- Eugene Yoder

The field marshal and newsletter editor jobs are filled by appointment. Cliff Burns and I were appointed again by the officers again, so no change there.

As a group, we extended our thanks to Dave Yoder for doing such a great job of keeping the field mowed all summer long. Great Job Dave, thanks again !!! Not only does he keep our books, he mows our field as well!

We addressed the issue of club dues again, I guess I didn't do a very good job of clarifying it last month. Let me try again-

1. Membership is 50.00/yr.
2. If you join after Sept.1, it is 25.00 for the remainder of that year.
3. New members who have never been in the club, and existing members who pay their dues for the next year before Jan.1 receive a 5.00 discount, making their annual dues 45.00.

If I didn't get it right, let me know, I will do it over until I get it right!

Not much flying activity to report on, Eugene Yoder lost his nice extra in one of those mysterious " I don't know what happened! " crashes. Don't feel to badly Eugene, we have all had those.

Just a reminder,

June 7 "Spring Fling"
July 26 "Mid-Summer Bash"
Sept. 13 "Fall Round-up"

Be thinking about ways to make these events more interesting/exciting. Give us your suggestions.

The next meeting is scheduled for Dec.21 at the Old Mill Restaurant in Waterford. Breakfast will be at 0800. The meeting will follow at 0830.

My first year up here after we moved from Missouri, I belonged to the Elkhart club. Several of those guys used to get together every Wednesday morning at MacDonald's over on 33 near Bashor rd. If you need to get out of your wife's way some Wednesday morning, drop in and enjoy a little hangar flying. I haven't been there in a long time but Art Eby has been going. Previous commitments have been making it difficult for me to go but have it on my list.

I received a letter from Robert Mangum the other day; Robert is getting out of the hobby (sorry to hear that) and has a number of things for sale. Here is the list.
