Include Driveway and Existing/Proposed Well Locations

☐

Property Details: Survey, Plat or Detailed Legal Description

Excavator: Do you Know Who will be Installing This System? _____

☐

Perimeter Drain Outlet Tile is Exposed.

Note: If the System Drain Must Outlet to an Existing Tile, That Tile Needs to Be Exposed so I can Conduct my Site Work.

Please Install Tee, with Removable Cap on Existing Tile. I will Need to Verify its Depth on Day of Field Work.

Homeowner will Need to Vouch that it is in Good, Functioning Condition.

Well:

Existing ☐

Proposed ☐

Site Vegetation: It is Impossible to Design a System if the Area is Impossible if it is Covered with Tall Grass, Weeds, Brush or Agricultural Crops. The Site Must Be Mowed or Bush-Hogged Prior to Having me On-site

Other: Proposed Pool? _____

Future Plans for a Detached Garage or Pole Building? _____
